## snow white honed

The Snow White Honed Marble Collection transcends time. Stately, refined and versatile, this collection will be a mainstay in any environment, from traditional to minimalistic. It's also known as Premium Bianco Dolomiti.

There are a variety of honed field tiles, interesting mosaics, and moldings available in this collection. Many of the mosaics combine this gorgeous natural white marble with grey elements for an understated yet engrossing look. This classic color combination, available in a range of contemporary shapes, creates an immemorial mosaic design. The delightful array of metro tile shapes offers almost endless opportunities.

The Snow White Honed Marble Collection is suitable for vertical and horizontal applications in both commercial properties and residences.
