With its crisp white background and dramatic bold grey veining, the Statuarietto Marble Collection delivers the perfect amount of drama.

The simple elegance of this collection will flawlessly fit into any interior with a pre-planned design scheme. There's a reason why white marble remains an iconic material in the history of art and architecture. Its luminosity, complete with its natural varied uniqueness, makes for a harmonious design element. From luxurious monochromatic kitchens to colorful, eclectic bathrooms, it works well with everything.

The Statuarietto Marble Collection is available in three different sizes, 12"x 12", 18"x 18" and 12"x 24", offering enough playroom for a sophisticated design.
